# Xinyuan Liu

530-760-9662. xl3141@cumc.columbia.edu

### **EDUCATION**

B.S. in **Neurobiology**, **Physiology**, and **Behavior**, Minor in **Psychology** GPA: 3.952/4.0

University of California, Davis June 2021

M.S. in **Biostatistics** GPA:N/A

Columbia University Mailman School of Public Health Anticipated: May 2023

**RELEVANT COURSEWORK** 

Applied Statistics for Biological Science Analysis of Variance Linear Algebra

Neurobiology of Addictive Drugs Neuroimmunology Neurobiology of Stress

Neurobiology Foundation Human Memory Brain Disorders

### **SKILLS**

• Possessing knowledge about neurobiology, psychology, programming, and statistics.

### **EXPERIENCE**

# Journal Club Presentation for Neuroimmunology

September 2020-January 2021

- Explained the trajectory of microglia and how it phagocytoses ablated neurons in vivo
- Presented the relationship between sympathetic-neuroendocrine adrenal reflex and spinal cord injury-induced immunodeficiency

## Paper Presentation for Neurobiology of Stress

January-April 2020

- Visualized the key contents in neuroplasticity papers through visual aids such as electrophysiology figures and charts and presented main findings in detail
- Explained cellular changes that trigger psychiatric behaviors and elaborated upon their downstream cascades
- Integrated ideas in neuroplasticity research papers and addressed comprehensive thoughts about what future study should focus on

### **VOLUNTEER WORK**

 Supported psychology research by participating experiments such as the face comparison experiment and filling out questionnaires.

# **HONORS/AWARDS**

- Dean's Honors List, UCD, Sep 2017-June 2019, and January 2020-March 2021.
- Department Citation in Neurobiology, Physiology, and Behavior, June 2021
